All Programs

Direct Support Professional (DSP) - 2 Hour DODD Curriculum for 2024 Annual Training

DSPs are required to complete a total of 8 hours of annual training. This Program counts for 2 hours of required departmental training.

The additional 6 hours of training can be taken from any source.

DODD has provided the "Direct Support Professional - 8 Hour Annual Training" Program for those who wish to fulfill all 8 hours of required annual training through DODD MyLearning.

If you are a new DSP, sign up for the "Direct Support Professional - Initial Training" Program.

See OAC 5123-2-08 and 5123-3-01 and the associated appendices for more information.

Direct Support Professional (DSP) - 8 Hour 2024 Annual Training

DSPs are required to complete a total of 8 hours of annual training. This program satisfies all annual training requirements for DSPs, including the 2 hours of required departmental training.

If you are a new DSP, sign up for the "Direct Support Professional - Initial Training" Program.

See OAC 5123-2-08 and 5123-3-01 and the associated appendices for more information.

Direct Support Professional (DSP) Initial Training

Completing this program satisfies the department-provided training requirements for first-time DSPs listed in OAC 5123-2-08 and 5123-3-01.

If you are a DSP who is certified and currently providing services, do not sign up for this Program. Certified DSPs should sign up for one of the Direct Support Professional Annual Training Programs.

See OAC 5123-2-08 and 5123-3-01 and the associated appendices for more information.

If you are not new, just need to do annul 8 hours training:
